I felt as though I will
be unable to take down God's guidance, for it is difficult
as I have all the time interruptions and insults from
evil. Sometimes I feel as though God abandoned
me completely to be their sport. The more it advances
the worse the insults; for a moment I thought God
left me. The insults are the worst words one can tell!

hot lava again across those faces. I heard them cry
out "Oh let us die..." Then Satan who looked
exactly like a mad-man, fuming with rage called
out:
creatures of the earth hear me to meeee
you will come! I just thought that although he
was menacing he was a fool to

Jesus replied: I will stop him. The minute S. had lifted his arm to throw the lava it gave him great pain and he screeched with pain; cursing Jesus, then to me,

witch, goooo, yes, go, leave us! Voices from souls, found at the gates of hell were crying:

"save us, save us"* Then someone came forward, I understood it was one of Satan's adepts and he (S.) asked him:

are you on your duty? are you doing what I have asked you to do? hurt her, destroy her, discourage her. I knew S. was referring to me. He wanted this demon to discourage me meeting Jesus, by giving the wrong word, or destroying the message I get. I asked Jesus if we could leave. He said.

come let us leave; I want you to write all this down,

* souls at the gates of hell, in a very low purgatory can be 'lifted,' by our prayers, saving them to less torment.

I will edit for you o be near Me beloved
I want My children to understand that
their souls live and that evil exists o all

slumbering and unaware of his existence,
I come giving you warnings, giving you
signs, but how many of you will read
My warnings like fairy-tales? beloved,
I am your Saviour, do not deny My
word, turn to Me and feel the pangs
